Hi Lois. I just forwarded this around before my 11:00 meeting. Dan has some recommendations, and I've sent this around to the team for their comments, and will do what I can as time allows. I thought that you should see it too (I tried to go by the format of your email).

Thanks,

Dan

Hi 2,4-D/Enlist Team. I've attached a couple of documents that I'm hoping you can look at before our meeting with Steve (I'm still not sure when that's happening, but I'll let you know when I know).
